

The 27th National Senior High School Manga Championships (Manga Koushien) Self-Promotion Form for Scouting Purposes (First Round)

Scouts from publishing companies will be coming to the main round this year as well. Scouts will be watching every student closely at the competition arena, and those who catch their eyes will be approached by the publishing companies after the competition for a chance to receive coaching.

We will be getting the publishing companies to look at the self-promotion papers of the 33 schools who will be taking part in the main round. Therefore in addition to words, please draw as many illustrations as possible in the Self-Promotion Space on the form below. Furthermore, schools competing in the main round may, if they so wish, also create a separate work for self-promotion in the second round. This work should be a manga or illustration (previously done work is acceptable), made on A4-sized manga manuscript paper, and submitted to the "Manga Koushien" Officer in the Kochi Prefecture Manga Kingdom Tosa Promotion Department by 29 June 2018.
